Please follow CDC guidelines at each distribution site, especially in buildings, if you exit your vehicle. We appreciate your respect despite any personal views on this matter. Our policy is not about personal preferences and opinions. It is about a respectful awareness of our community and understanding of putting vulnerable staff, volunteers, or members potentially at risk. Thank you for your understanding.

Immune Booster CSA PICK UP PROTOCOL AT THE WASHTENAW FOOD HUB - 4175 Whitmore Lake Rd., Ann Arbor Every Saturday (9 AM - 12 PM):

We have reviewed our pick up protocol to ensure we are doing everything in our power to limit contact and keep our beloved patrons and farm crew safe. Therefore, we are asking our patrons to collect and load their own share boxes into their vehicles. Ryan and crew will still be there to greet and provide assistance from a safe distance, and all boxes will be carefully sanitized before you handle them. To recap our updated procedure:

1. Upon arrival at the Washtenaw Food Hub, check in with staff/volunteer.
2. Optional stop at market stand with staff/volunteer for purchase of eggs, honey, oats, beans, bread, etc. and fresh produce extras.
3. Pull around to the pick-up area. Multiple stations will be marked by black crate tables.
4. Stop at any of the available stations, collect and load your [Immune Booster box](#).
5. If you are returning any empty CSA boxes to recycle, please leave them at your station.
6. Follow the exit signs back to Whitmore Lake Road and take your new box home to enjoy!
7. Please remember to be kind and patient, as you wait or gather your things. Friendly waves are so appreciated, as we try to help you with your share in an efficient and safe manner.
8. For those who were picking up in Chelsea at Agricole, there is a NEW LOCATION at the Chelsea Farmers Market with Pick Up protocol below this map.

NEW LOCATION!! PICK UP PROTOCOL AT CHELSEA FARMERS MARKET - Palmer Commons 222 South Main St., Chelsea (9 AM - 12 PM):
