

If you have not signed up for the Summer CSA or Immune Booster CSA since May 2021, you will need to create a new member account. We changed our CSA Management system this year. Please go to:

<https://tantrefarm.csaware.com/accounts/login.jsp?url=%2Faccounts%2Findex.jsp>

to begin. You will see the following login screen:

Click “sign up for one” at the bottom of the page to create a new login account. Please note, if you choose to purchase the CSA, you will be directed to create an account before you can complete your purchase.

Fill in all of the required information, then create your account.

Once you create an account, you will receive a confirmation email to the email address you have provided. Please note, if you have difficulty logging in, please contact us.
